The EMREX User Group

- All partners continuing in the network
- Management of network will be organised around an informal EMREX User Group
- Not-for-profit
- Full-members from partners with NCPs
- Associated members anybody interested in joining EMREX
- Established January 2018

ERASMUS+

Tasks of the EMREX User Group

- Approves new NCPs to the network
- Maintains the EMREX network including architecture and specifications
- Supports the uptake of EMREX in new countries and with new services
- Plans and supports dissemination activities around EMREX
- Maintains the EMREX declaration to be signed by all members
- Contribute to relevant standardization work, especially around ELMO

ERASMUS+

Policy Board

- to bring needed policy expertise and contacts to policy makers to strengthen the role of EMREX
- to address the issue of student data portability on a general level
- to advise the Executive Committee on policy issues
- to actively support the EMREX network in relevant policy groups
- could later evolve into an independent task force
